# Tuition Programme

Our Tuition classes aim to facilitate learning and development of self-knowledge through its focused academic and enrichment programmes. It is designed to provide a conducive environment to supplement what students have learnt in school, provide practice in answering questions and help them with intensive revision under the supervision of our teachers.

The small classes, with a maximum of 12 students per class, enable the teachers to give each student individual attention.

Our dedicated and passionate teachers will inspire students to achieve excellence in their academic results.

Our curriculum is also tailored according to the syllabus set by the Ministry of Education of Singapore.

## Features of our programme
